PRODUCT DESCRIPTION

LONG:

A dedicated chroma key surface that requires zero floor space, Green Screen MT strikes the perfect balance between sleek construction and pro performance. Mount Green Screen MT on your wall or ceiling, pull the handle down to any position, and let the precision roller automatically lock your screen in place. Panoramic dimensions cover your entire height and wingspan. Premium fabric ensures a wrinkle-free spread, while optimized chroma green guarantees the cleanest key you can get. It's a wrap? Give the handle a tug and the screen will automatically disappear into its protective metal casing.

MEDIUM:

A dedicated chroma key surface that requires zero floor space, Green Screen MT strikes the perfect balance between sleek construction and pro performance. Pull down and let the precision roller drive lock the screen at any position. Tug and release to automatically rewind.

SHORT:

A dedicated chroma key surface that requires zero floor space, Green Screen MT strikes the perfect balance between sleek construction and pro performance.
