COMPLETE MULTI MOUNT SYSTEM

Multi Mount lets you position your camera, light or phone at any angle, while keeping your workspace tidy and your workflow optimal. Add the Weighted Base for freestanding application. Connect the Smartphone Holder to leverage your apps like never before. And affix the Flex Arm Kit for ultimate reach and three-dimensional maneuverability. Multi Mount is built tough and designed to adapt. Steel tubing and ball joints ensure high performance and reliability. Rubber twist locks and levered clamps enable effortless adjustability. And a center ball head with an industry-standard 1/4" screw allows you to secure almost any gear on any axis.
