## PRODUCT DESCRIPTION

### LONG

Everything about Elgato Key Light says: you're pro. Illuminate your workspace with 160 premium LEDs totaling 2800 lumens of light, fine-tune brightness levels right down to a subtle glow, and set the perfect color temperature from sunset amber through arctic blue — all via the Control Center app. Easily adjust the telescopic steel desk mount and ball head to set your ideal height and lighting angle, while enjoying glare-free diffusion thanks to a silky-smooth opal glass face. Designed to beat the rising demands of video production, Elgato Key Light sets the bar for high-end studio lighting.

### MEDIUM

160 premium LEDs output an ultra-bright 2800 lumens of light that you can dim to a subtle glow via the Control Center app. A silky-smooth opal glass face guarantees balanced, glare-free diffusion. And a fully adjustable steel desk mount keeps your setup streamlined and flexible. Everything about Elgato Key Light says: you're pro.

### SHORT

Ultra-bright and dimmable. Space-saving and built to last. App-controlled and destined to evolve with you. Everything about Elgato Key Light says: you're pro.
